

PRAISE & PRAYER

* Three months ago, Thida's brother, Rotha, fell off a roof and hit his head. He was in a coma and on a ventilator. The doctors didn't give him much chance of survival. They were preparing the family for the worst. But we serve a miracle-working God! Today, Rotha is back home with his family, and he is expected to fully recover. Thank you so much for your prayers! We are overwhelmed with gratitude for the support and love we've received during this challenging time.

LY FAMILY

From the Killing Fields to the Missions Field

Dear Friends,

It's incredible how fast time passes. In just a couple of months, we'll be returning to Cambodia for another four-year term. Our time in the States has been both busy and encouraging. We're thankful to be able to meet new friends and reconnect with old ones during our itineration travels. The generosity, friendship, and kind words expressed to us blessed, encouraged and greatly touched our hearts. We're reminded of the words of the Apostle Paul, "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from

Returning to the Field

We're excited to return to the work that God has called us to do in Cambodia. We're thankful that the ministry continues to touch hearts and change lives, even during our absence. Our church planting team continues to proclaim the gospel message, teach, preach, and plant churches. The teachers and staff continue to provide education, nutrition, and the gospel message to the children in our five schools. God continues to change the "Killing Fields" into harvest fields!

God's Leading and Divine Encounters

A couple of months back, we had the privilege of meeting the Cambodian ambassador to the United States at an event. We're thankful that God continues to guide our path, bring people into our lives who help open doors, share
